

Did you know...

...Many of our neighbors don't know where their next meal is coming from?

Last year, the agencies we support helped serve more than 232 meals each day of the year.

...There are over 1,500 children who are homeless in our region?

This year, we distributed backpacks filled with brand new school supplies to help these students start their year off on the right track!

...Many people in our region live without bank accounts and have no savings?

To help families become more financially secure, the UWPV and its partners have set up three Thrive centers across the region to offer free financial coaching.

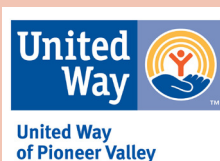

...The UWPV is a recognized leader in promoting and coordinating volunteer opportunities?

Last year, UWPV volunteers contributed 22,715 hours of service across the region; this work has an estimated value of \$636,044.

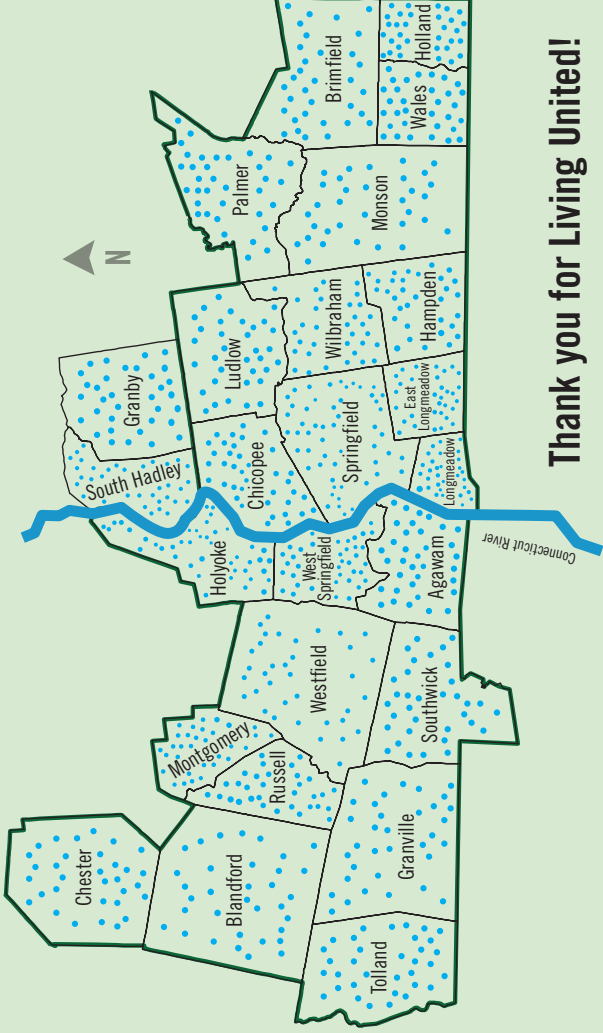

Give Thanks. Give Back.

Over 200 programs received funding through the workplace giving campaign last year. Support the United Way of Pioneer Valley, so we can support you.
